

Fully Prefabricated Luxury Mobile Home

The NOMADE ICONA 240 is a fully prefabricated premium mobile home, delivered complete with interior finishes, furniture, bathroom, kitchen and all technical installations.

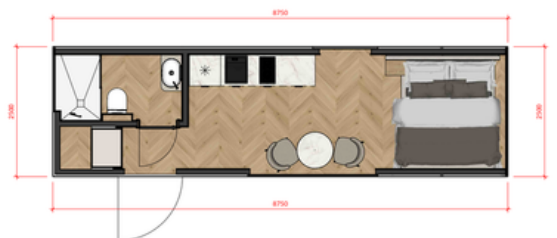

Manufactured entirely in our factory, the home arrives ready for immediate use. On-site installation is limited to crane placement onto prepared foundations and connection to external utilities eliminating traditional construction work and significantly reducing installation time.

Interior

Delivered fully furnished and move-in ready.

The interior includes:

- bespoke furniture manufactured from premium 18 mm furniture boards
- fully equipped kitchen
- complete bathroom with sanitary ware and fittings
- integrated storage solutions
- designer finishes throughout

Construction

Construction

Fully Prefabricated Concept

- Factory-built and delivered fully completed
- No on-site construction or interior assembly required
